Aims

Insights in Social Science (ISSN: 2959-3662) is an international open-access academic journal, published bimonthly by Brilliance Publishing Limited, devoted to advancing scholarship in the diverse and evolving field of social science. The journal provides a platform for researchers, academics, and practitioners to present original studies, share innovative theoretical perspectives, and contribute to the advancement of social science knowledge.

With a broad and integrative outlook, the journal welcomes contributions that address the complexity of social life across cultural, political, economic, and environmental dimensions. Emphasizing both theoretical development and practical relevance, it encourages research that connects empirical evidence with pressing societal challenges, offering insights of value to academics, policymakers, and professionals alike. Furthermore, the journal promotes international dialogue by inviting diverse perspectives that reflect global, regional, and local contexts.
