## Call for Articles

### Aims

*Journal of Academic Research and Advances* (ISSN: 3079-7381(P), 3079-739X(O)) is an international open-access academic journal, published bimonthly by Brilliance Publishing Limited, committed to promoting high-quality interdisciplinary scholarship across a broad range of academic fields. The journal serves as a professional forum for researchers, academics, and practitioners to present original findings, share innovative ideas, and contribute to the advancement of global knowledge.

Adopting a cross-disciplinary orientation, the journal welcomes submissions that integrate insights from multiple domains, highlight pioneering discoveries, and address contemporary challenges in science, medicine, and technology. With an emphasis on practical relevance, it encourages research that connects theory with application, offering perspectives valuable to academics, professionals, and policymakers. Furthermore, the journal embraces international diversity, inviting studies that reflect cultural, regional, and global perspectives, and aims to foster scholarly dialogue across disciplines and borders.
